## This and That!

### Book of the Month:

#### The Church of Babylon by Erwin W. Lutzer

If this title sounds familiar it's because it is the book that Pastors Rod and Phil had been using recently in their sermon series.

If you want to delve more into what the sermons have been about it would be in your best interest to take a look at this book!

Some of the chapters are:

'When the State Becomes God; Standing Strong While Others Bow'

'Five False Gospels within the Evangelical Church; Defending the Faith once Delivered to the Saints'

'Jesus at the Church Door; Prayerless Pulpits, Satisfied Saints and Spiritual Blindness'

These are just a few of the chapters. This was an excellent book that should be read by everyone!
