

Dear Friends,

August is here and you'll notice that we are getting ready for fall and for all the things that means. The church office has been rearranged thanks to Men at Work and is getting ready for a new occupant. Interviews are happening and we will soon announce the new person who will join us as our new office manager. I look forward to our expanding staff and am thankful that Cate has been so gracious in filing the position this summer!

My office has been in the process of a makeover most of the summer. Thanks to Craig Schneider for the desk and the shelves. As I write this newsletter article, my books are still sitting in piles, just waiting to be organized. So soon, the office will be back into place and all the "things" will have a home. Thank you to everyone who has been involved in the building, painting, sorting, moving and putting away all kinds of things. Many hands make light work. This project has proven that to be true!

August also means that we are preparing for fall programming too. You will find that there are some changes happening on that front. Sunday morning will remain pretty much the same. We have room for more Sunday School teachers and helpers. We are starting a new curriculum which will allow us to have our Sunday School lessons match up to the Sunday morning lessons we will hear in church that day. We will also have some new "helps" for our teachers. We will have some short videos to help the teachers prepare for the lessons. Otherwise it will be a very similar schedule to last year's schedule. The other change, the confirmation class will be moving to Wednesday nights, so on Sunday morning, the confirmation class, their mentors and other caring adults will have a Sunday School Class.

Some other changes that you may have noticed over the summer. The Social Media committee started a Twitter account for the church @atonementlute1. Please follow us as we start to dip our toes into that platform. We will continue to expand our use of Facebook and other social media mediums. Thanks for your patience as we start these new ministries.

Pastor Brenda

## GLOBAL OUTREACH

A team is still needed to nourish and grow our relationship with our companion church in South Africa!

We are a church that believes God is calling us into the world — together. Companion church relationships enrich and deepen our ministries by exposing us to global challenges and perspectives as we seek to work with one another to build up the body of Christ and the world.

Pastor Peter Mannoja at Tanum Forest and Pastor Julie Barger at St. Paul, Manitowoc and Calvary, Two Rivers have been trained in growing our relationship and are ready to train our team as soon as one is ready!

Please prayerfully consider being a part of this team.  
See Pastor Brenda or Cate with any questions.

**UWGB Cupboard** is in need of many items. Gently used dresses, skirts, shorts, t-shirts, shoes and spring jackets for all ages are needed.

When shopping for food— watch for sales on soups, pasta sauce, crackers, pudding, popcorn, and peanut butter. Consider gluten free items too!

Always looking for pots and pans and general kitchen items.

*“As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him and established in the faith.”*
