WELCOME TO OUR CHURCH: A Warm Welcome to our visitors today. We as a church family are encouraged by your participation in our worship service this morning and trust that the service will be a blessing to you. If you would like additional information concerning our ministry here at Park Bible, please complete the visitor's card found in the pew and drop it in the offering plate.

CHILDREN'S CHURCH: If you would like for your child(ren) to participate in children's church, you may take your child(ren) to the children's church worker at the back of the sanctuary at the end of the third hymn. Parents are welcome to attend with or check on their children at any time.

TEENS & TECH WORKSHOP: Do your children or grandchildren use smartphones or tablets? Do you know what apps they are using and who they are communicating with? Are you concerned about the potential danger certain apps and services pose to them? Then please join us on Saturday, September 28th at 10am for an informational workshop with special guest Josh Hernandez, family pastor and technology specialist. Josh will provide much needed information and insight for how to best guide the use of our kids' technology. This workshop applies to children of all ages, not just teens. A time of Q&A will also be included, and refreshments will be provided. This event is an outreach to the community, so please invite your extended family, friends, and coworkers. Invite cards are available on the resource table.
