

Quickstart Guide

Thank You!

Our mission at Faithlife is to use technology to equip the Church to grow in the light of the Bible.

Logos Bible Software is one of the ways we accomplish that mission, and we consider it a great privilege to serve you with it.

This guide will help you start using Logos as soon as possible. It's easy! And as you go deeper in your study, you'll find that Logos offers tools and resources at every level.

We all work hard to serve you well, and I pray that you will see your investment in Logos Bible Software bear fruit in your life and ministry.

If you have any questions, please don't hesitate to contact us. And if you're ever in Bellingham, Washington, drop by and say hello!
