MISSIONS MOMENT  
NADEEM & BERNICE SERHAL  
PIONEERS, WINNIPEG

It is hard to believe that we are already entering a new year. The number of Muslims in Canada has increased considerably in the last few years and only a few evangelical groups are specifically reaching out to them.

Sharing the Christmas message with the Muslim people here, there came to our mind the words of the Lord to Ezekiel (chapter 3), where He says to him, I am sending you to a people whose language you know and give them my message. So, we would appreciate your prayers for us at this special time of the year because for many Muslims the Christmas celebration is totally a new thing. Many of them had no contacts with Christians before coming to Canada and they were raised in remote areas in their homeland.

Please pray also:

- \* For the Muslim children who went to Bible camp in August.
- \* For the people who attended the Thanksgiving service which we had together with a Canadian church on October 19<sup>th</sup>.
- \* For the families we are working with, who are going through difficult times due to the change of culture; pray especially for the children who suffer the most.
- \* For our prison ministry.
- \* That we continually renew our dependence on our Lord and His power that our focus will be on our relationship to Him as we make choices and seek to do what will bring glory to Him.
