GRAHAM STREET CHURCH OF CHRIST

Rooted - Growing - Reaching

January 12, 2019

Db's Dabblings: I hope you will all be a part of our Sunday night worship tonight. Bring the kids and let them be a part of Kingdom Knights. We all start in the auditorium and introduce our theme for the evening; then the kids go to their time in Kingdom Knights. They will learn a lot and have a great time doing it! We will all be focusing on the parables of Jesus this semester on the 2nd and 4th Sunday nights of the month.

We got GPS off to a good start last week in a combined class with the teens discussing "Church Safety." I appreciate Justin Becker and Wes Wilson helping me teach the class. Most of the time the GPS class will be exclusively for adults, but from time to time we will discuss topics that will benefit both the parents and the teens by talking together. "Church Safety" is one of those topics, especially after the shooting at the West Freeway Church of Christ the week before. To the teens let me say, I am so excited for you that you have a great teacher and Youth Minister in Wes. He works hard every week to prepare great Bible classes and activities for you. Give him a chance to show you how exciting and meaningful the Bible and living for Jesus can be for every day of your life.
