The disciples of Jesus once asked the Lord to reach them to pray.

Rather than offering a long discourse on prayer, He responded by offering a model: The Lord's Prayer. This study focuses on that pattern for prayer and how to apply it in our daily prayer lives. As we do this, we will expand our understanding about God and His nature, and discover a spirit of gratitude. Join us as we study *Prayer- the Great Adventure!*

Beginning Monday, Feb 24 at 7:30pm in the Fellowship Hall.

If you would like to put an announcement in the bulletin, please let Danelle know by Wednesday. Thank you.

MISSIONS MOMENT
RANEY BROWN-CROSSWORLD

Greetings to you in the blessed name of our Saviour Jesus Christ!

We are planning a special Sunday together on December 22nd with singing of carols and an Agape afterwards (an Agape is a meal together!) Actually, we have an Agape every single month.

This past year has been a bit different as I had the opportunity, twice, to be with my Mom, in British Columbia and she came once to Italy, too. It has been a hard year for her without my Dad but we have really been drawn close together and I am very thankful for that. Please do continue to pray for my mom that she would respond to God's gift of salvation.

I also had a great summer at the Child Evangelism Fellowship camp where I cooked for about 35 people. It was loads of fun for me and we had some interesting adventures. The director wanted me to teach the children how to cook something so we made peanut butter cookies together in three different groups. I was in charge of one group and two other ladies led the other two groups. But making cookies, and especially following measurements with cups and teaspoons is an unknown thing here. There are accustomed to weighing everything. I tried to explain everything well to the two ladies in advance so that there would be no confusion. Well, each group made their cookies and then went off to another activity while I put the cookies in the oven. One group's cookies were beautiful. Unfortunately, they tasted horrible! Too much baking powder!

Please pray for this wonderful camp ministry that it would go forward. The young man leading the ministry is in the process of buying a property that will become both his home and future camp with more space and awesome opportunities to share the Gospel with many children.

Please pray for Ana and her grandchildren: Luis(10), Bianca(9) and Camilla(3). They were taken by social services from their mother in Brazil and taken in by Ana in Italy! They had not met their grandmother or extended family before this, nor do they speak Italian. Please pray that they feel loved and cared for and that they would adapt quickly. Also pray that their mom, Esther, would get her documents so that she can join them in Italy.

Please pray also for Evelin and her children. Pray for the sale of her apartment and new accommodations, as well as a morning job so that she can be with her children in the afternoon.
