# GRAHAM STREET CHURCH OF CHRIST

**Rooted - Growing - Reaching**

**March 01, 2020**

Db's Dabblings: Vicki and I have been with you for 3 years; I can hear you saying, "Boy it sure seems longer than that!" To me it has gone by quickly, but we have experienced a few things in that time, haven't we? We have dealt with heavy loses, shameful revelations, disappointing disruptions and missed opportunities. We have also experienced amazing accomplishments, miraculous turnarounds, overwhelming victories and sacrificial generosity!

You are an amazing church, and I don't think you have any idea what a model you are to other churches. You model a willing spirit of love and grace! You model a church on mission willing to give your time, effort and money to expand the Kingdom in this region and around the world. You model a church eager to hear the Word of God taught in its entirety because it's all important! You model a church that will hold to Truth and be open to the Spirit.

These three years have been very special, but God is calling us to do more together. Let's dig our roots even deeper in the Word. Let's show our growth in Christlikeness, individually and as a church. And let's reach upward to our glorious God, reach inward into the hearts of our church family and finding the weak and lift them up, and let's make this next year a great year of outreach to those around us so they may experience the joy of what we have found in Christ!
