ADOPT-A-SOLDIER

We have received an **URGENT NEED** from the troops in South Korea as seen in the request below. We are unable to pass along names & addresses so as to protect the troops. If the church could help out in any way, that would be great! Walter & I will package & mail the boxes which cost \$19 to ship where they are going.

All items need to be in plastic containers.

"I am stationed in Daegu, South Korea and we are at the epic center of the Coronavirus outbreak for Korea. Our on-base stores can't keep up with demand of

Care Packages for the Military

masks,
Lysol
disinfectant wipes,
sanitizers,
disposable gloves,
rubbing alcohol and
hydrogen-peroxide.

Our first concern is the health of the Soldiers and their family members here in Korea. Secondary, we expect to have Soldiers quarantined for long periods of the time. Therefore, it would be nice to have some

board games
and snacks

so that Soldiers have an alternative activity in their room. This is a quickly changing environment with new updates every day and every hour of the situation. ANYTHING YOU CAN DO WOULD BE VERY HELPFUL.

VERY RESPECTFULLY, CHAPLAIN"

New Possible Opportunity for Outreach....

Looking for those interested in helping to create a ministry that would reach out to those in our community that are differently-abled.

This would be a group discovery and development process to determine what that ministry would look like, but might include a "gentle" or "joyful noise" type service once a month or occasional events. If you are interested, please contact Pastor Robb or Chrissie in the office.

THE CELEBRATION OF HOLY COMMUNION

Prayer of Confession

Leader: Gracious God, we have set out to be your faithful people.

All: But we also fall into brokenness

Leader: We know about pride and condescension, the rush of acting in ignorance, and the thrill of projecting shame on others.

All: We do our best to submit ourselves to humility and vulnerability, and to acknowledge we are no better than any one else before You.

Leader: We know about alienation and loss, guilt and the desire to become invisible, and the very depths of remorse.

All: We do our best to come out of hiding and face you, as nothing is not already known to you.

Leader: We approach at your invitation, knowing there is no way to be ready.

All: We seek your forgiveness and await your word of transformation.

Words of Institution & Sharing of Elements

Prayer of Thanksgiving

Leader: We thank you for your presence, your reach, your word, and your touch.

All: We thank you for giving yourself to us without judgement – even as we have judged others and misjudged ourselves for good and ill.

Leader: As we leave the table of your feast, may we join your walk of companionship, and go to your mission of well-being for all.

All: In this hour, let us know your good self – meeting us not according to our flaw, but according to your generous self-giving.

Leader: Be our Easter, and draw us from death to new life.

All: And we will begin again in wonder, in love, in obedience, and in joy. Amen.
