

Prayer and Praise Reminders

March 29, 2020

In Mathew 24:14 Jesus said these words: This gospel of the kingdom will be proclaimed throughout the whole world as a testimony to all nations, and then the end will come.

In Mathew 6:10 Jesus told us to pray, thy kingdom come, thy will be done, on earth as it is in heaven. Jesus also said: give us this day our daily bread-what we need for each day.

In light of the corona virus that is affecting our world: What should we pray for? People are afraid; people are getting sick and the economy of our world is in terrible condition. God has the attention of the entire world.

1. We should first of all pray that millions and billions of people in our world would repent of their sins and trust in Christ for their salvation. This is what is most important, the eternal destiny of our world.
2. We should pray for the protection of the nurses and doctors in our world treating those affected by this virus.
3. We should pray for enough supplies to be distributed all over the world to help treat this virus and for the people working diligently to produce more.
4. We should pray for the people in authority in our country and all over the world, that God would give them wisdom. Pray for our President, our governors and other world leaders.
5. We should pray that God would help us to find a cure, a treatment for COVID-19 and that this could be distributed quickly all over our world.
6. Pray for the countries that are currently most affected by COVID-19: Italy, Spain, Iran, the US and other countries.
7. Pray that people will be able to get back to work to provide for their families.
8. Pray for the people in our world that are in great need of food and finances.
9. Pray that church leaders will have the wisdom to be able to creatively minister to their people during this time of isolation.
10. Pray for those who are having anxiety and fear, that they would turn to Jesus and to other believers to encourage them. Pray that believers in Christ are used by God to be a light to this world.
11. Pray for our schools to be able to teach our children and to feed those that are hungry.
12. Pray for our school teachers and school administrators that they would be able to adjust to these changing conditions.
13. We should pray for healing for those that are affected by COVID-19.
14. We should pray for God's mercy to help us all.

There are many examples in scripture of God healing those who came to Him out of great need in the Old Testament and in the New Testament. Jesus healed many who came to him in desperation. Look up: Luke 5:12-14; Luke 7:4; Luke 8:24; Luke 8:41; Luke 9:37-43; Luke 18:35-43 and there are many more.

God is a merciful God and we need His help. Cry out to Him with these requests. We need to pray and to pray earnestly.
