

LESSON 5: GOD PROMISES SARAH A SON

ACTIVITY 2: JOY FROM GOD GAME

In our Bible story today, God gave Sarah the gift of laughter through the birth of her son, Isaac. Sarah was so excited to have a baby that she laughed out of happiness! God brings us laughter, too. Let's play a fun game with your family that will make it hard for us *not* to laugh!

In a circle with your family, you will pass a message around the circle one person at a time. Turn to someone next to you and say something, and then they will say that same thing to the next person. Pass the message all the way around the circle and during the game, try to keep your teeth covered with our lips the *whole* time. That means trying to not smile or laugh during the game or your teeth will show. Let's try!

Was it hard not to smile or laugh during the game? God brings us laughter in so many ways. God brought laughter in the game by giving us our family to play the game with and the gift of being silly together. God brings us laughter by giving us the gift of joy in our hearts. God's joy is a happiness we can have all the time knowing how much he loves us! And when we know how much God loves us, his joy bubbles to the surface—bringing us smiles and laughter.
