

LESSON 5: GOD PROMISES SARAH A SON

ACTIVITY: LAUGHING HANDS

SUPPLIES

- Washable markers

Let's make reminders that God brings us laughter. When you laugh this week, that can be one way you see God at work in your life.

Draw a face on the side of your fist, with the eyes on your index fingers and the mouth on your thumb.

You can use your hand puppet to make other people laugh. And whenever you see it, it can remind you that God brings us laughter.
