

## LESSON 10: JESUS HEALS A BLEEDING WOMAN AND RESTORES A GIRL TO LIFE

### GAME: THUMB TAG

In our Bible story, Jesus knew that someone touched his robe but he didn't know who. Let's play a game where we have to guess who tagged *us*.

#### INSTRUCTIONS

With your family, pick 2 taggers and hold up your thumb and close your eyes. If someone touches your thumb, keep your eyes closed and put your hands in your lap. After you have finished tagging, guess who your tagger was. If you guessed correctly, switch places with the tagger. If you guessed wrong, sit back down. Play for as long as time allows.

We tagged each other's thumbs for fun. It was just a game. But the woman who touched Jesus' robe wanted Jesus to heal her. And when she touched him, she *was* healed! Jesus also healed the little girl when he touched her. Jesus has power over sickness and death!
