Jesus has power over sickness and death. He even makes our bodies get better when we get cuts and scrapes! And he gave us things like bandages to help us feel better when we have cuts and scrapes. Sometimes things like bandages come in a first-aid kit. A first-aid kit is a box full of things that can help us get better.

Let's make our own first-aid kits to remind us that Jesus has power over sickness and death. He can use his power to help us anytime we're sick.

INSTRUCTIONS

Print the “First-Aid Kit” handout, color and decorate it. Punch out dotted holes. Fold your handout in half, then begin lacing through the top hole on one side while and tape it in place. Then put the lace through the second hole. Continue lacing in the order of the holes until you lace all the way around the first-aid kit. Then tape the second end in place.
