

LESSON 10: JESUS HEALS A BLEEDING WOMAN AND RESTORES A GIRL TO LIFE

GAME: POWER PLAY

SUPPLIES

- Ball or stuffed animal
- Upbeat music (optional)
- Music player (optional)

Jesus has power over sickness and death! But unlike those in our game, Jesus isn't trying to keep his power away from anyone. When we need Jesus' power, we can just ask for his help. He may not use his power the way we expect, but we can always trust him to use his power in our lives.

INSTRUCTIONS

Half your family will form a large circle. The other half will stand scattered around the inside of the circle. The ball or stuffed animal is called "The Power." If you're standing inside the circle, your goal is to get The Power. Those forming the circle will try to toss The Power around without letting anyone in the middle get it. If someone in the middle gets The Power, that person will trade places with whoever threw it.

MAKE SICKNESS TENTS

Cut pieces of paper to about 6 x 2 inches and then fold each piece of paper into a tent. You will need three to five tents. Write on each tent a different kind of sickness or even the word *death*, and they can include ailments from the Bible story. Decorate these tents and also the cardboard base of their sickness blasters.

USE THE CRAFT

Try out your sickness blasters. First arrange the tents with the sicknesses under the fishing line. Then blow up the balloon and release it, letting it fly down the string to knock over the tents. You can try to get all of their tents knocked down in one shot.

How does this craft help you understand Jesus' power over sickness and death?
