Family Together Time

Your child may have done this activity in church today. If so, ask him or her to show you how to do it. If not, here's how to do it:

- Inflate balloons.
- Have each person rub a balloon against his or her hair or a piece of wool cloth to create static electricity. Then see what the balloons can pick up off a plate. Try things like ground pepper, pieces of tissue paper, or glitter.
- Talk about what the balloon did or didn't have power over. Remind everyone that Jesus has power over sickness and death.

Talk About This...

- Who needs healing that our family can pray for? Take time to pray for that person now.
