

# Family Easter Opportunity

Dear Sunrise Family,

Jesus was dead and buried, but that's not the end of the story.  
On the third day, the stone was rolled away, and He had Risen.

This is the Good News of Easter, and we want everyone to know it.

*We want to encourage you to spread this  
Good News of Easter  
with the people in your neighborhood.*

As a family, look in your yard or around your street and gather some rocks.  
With paint or marker, write the words 'He is Risen' on the top of each rock.

On Easter morning (or some point during the day) place the rocks on people's  
doorsteps (ring the door bell and walk away for social distancing) and share with them  
the true meaning of Easter. He is Risen. He is Risen, indeed!

Jesus replied, "Even if they kept quiet, the stones would cry out." Luke 19:40
