

## PALM SUNDAY: JESUS' TRIUMPHANT ENTRY CRAFT: FANS OF THE KING

### SUPPLIES

- [“Palm Leaf” handout](#)
- Scissors
- Poster board
- Construction paper
- 2 Craft sticks
- Permanent markers
- Duct tape (green or brown works best)

### INSTRUCTIONS

Get the “Palm Leaf” handout and cut the shape. Then trace it on poster board and cut the shape out.

To decorate the leaf, use construction paper or crayons and markers.

Fold your leaves like an accordion, then use duct tape to secure two craft sticks to the bottom of the leaf as a handle.

On the handle, you can write something about King Jesus. For example, “I’m a fan of King Jesus.”

Jesus is the King! He deserves our worship. Sometimes kings have people to fan them so they don’t get too hot. In the Bible story, people used palm leaves to worship Jesus. We can remember to worship Jesus as a king and be his biggest “fans”!
