Guests and Members

Thank you for joining us for worship today! If you need anything please let our ushers or Elder on duty know. During the offering you can place the attendance card you received as you entered into the offering basket. If both pastors are present at a service, one pastor will remain up front for special prayers after the service.

For those who wish to commune: As Lutheran Christians, we view Holy Communion as a wonderful blessing, in which God gives us the true body and blood of Christ with the bread and wine. It is a tie to Christ's dying for us. In love for others, we think it is important to know what we believe and receive instruction before communing. Guests not from Lutheran Church-Missouri Synod congregations are asked to read **"OUR UNDERSTANDING AND PRACTICE" of THE SACRAMENT OF HOLY COMMUNION** on the card in the slot on the pew in front of them. Guests and children are welcome to come forward for a blessing. If you don't feel able to come up the stairs, you can let the ushers know and the pastors will bring communion to you, or you can come and sit in the front row on the pulpit side during distribution and the pastors will commune that as the last group.

Updating Membership Information- As a transition to a new Church Management System, we want to take this opportunity to update our information on members so we can have current information. In the coming weeks, if you receive a print out with your family and individual information, please review, make any corrections and return it to the office so we can have our records updated. We will be doing it over the period of a few months, so if you don't seek a print out right away, be patient, but we want to spread the update over time, especially with the Lenten season approaching. Once we have everything update, we will be putting together a new phone book. Our old software recently updated and isn't working like it should and has a lot of outdated information.

"Gracious Confiscation"

Speaker: Rev. Dr. Michael Zeigler
Confiscation is a bad word. No one likes having their "stuff" confiscated. But what if it's God Who does the confiscating? Dr. Michael Zeigler says God may take away some blessings He once gave in order to give back even more.
(Exodus 7-8)

Holy Week

Offerings– Please consider during this time to keep the work of the Lord in your plans of giving. You can drop offerings off at the church, mail them to the church or you can donate online on the church website. Thank you for remembering our work and ministry!

During this period of social distancing, Pastor Rob is offering a special online devotion each day Monday through Friday on his personal Facebook page. There is a little service of Morning Prayer that is in the Documents page under the Connect section of the church website.
