

**Prayer and Praise Reminders**  
**April 26, 2020**

In Matthew 6 Jesus teaches us to pray: "Our Father in heaven, hallowed be your name...Give us this day our daily bread..."

This week, let us remember that our Lord is our provider. Let us be thankful for all that He provides for us and our loved ones.

Let's continue to pray for those suffering from the quarantine here and around the world. This pandemic is a worldwide struggle.

Pray for our elderly people that are isolated, for our children, youth and young adults. Their lives have been disrupted, schools closed with very few jobs available. They need our prayers.

Pray for our High School seniors who are now adapting to finish their school year and celebrate their graduations in a very different way.

Pray for the parents as they dedicate time to teach their kids at home. Pray for wisdom and grace and for God to bring peace and joy and harmony into their homes.

For those who have lost their jobs or had their hours reduced. Pray for some people that you know that have had their jobs affected.

The rate of people using food banks is increasing and this is a huge problem all over the world. Pray that God would provide and use his people to take care of the hunger needs in our county, our state, our country and in our world.

Pray for medical staff, caregivers for the elderly and those that serve our public, May God provide His protection upon them. Pray for someone that you know is serving our community in this way. Pray that God would work in their lives as they serve others.

This has been a hard time for those who have lost loved ones. Please pray for Jeff Harrison and his family, Catherine Harrison went home to be with the Lord on Tuesday April 21<sup>st</sup>. Pray for God's comfort for this family.

Our President and Governors need great wisdom in leading our country as do other leaders in our world. Pray for them, for God to lead and to guide their steps.

Pray that we would be able to go back to work soon and that God would help the businesses to be able to start up and provide for our country and our world.

Pray that God would use our Sunrise family to be a blessing in our neighborhoods and in our community, that we would love God wholly and our neighbors radically.

God is working in the hearts of many as they are turning to Him to pray. Pray for millions of people to become followers of Jesus.
