PASTOR'S BLOG

Jeremiah 29:11, For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.

To the Class of 2020 who have held on and endured, we are proud of you. You are the next generation and the hope of it. You set the pace.

Many things will continue to change in your life. The old way of living has disappeared. The new has come into existence. Above all protect your relationship with God. Do not allow the views of this world to distort your Biblical beliefs on the value you place on yourself and others. Hold on to the fact that God loves you and created you for a special purpose.

You are the Millennial generation. You live in a different world because popularity is now based on style rather than accomplishments.

The church is also different today. The traditional church structures are not reaching our generation. You can bring about revival if willing to take the role of standing firm. Your generation can turn the tide and make things right again. Do not let the world change you. Change your world!

Congratulations Class of 2020!

Deuteronomy 4:9, Only take heed to thyself, and keep thy soul diligently, lest thou forget the things which thine eyes have seen, and lest they depart from thy heart all the days of thy life: but teach them thy sons and thy sons' sons.
