Talking* about God's Ten Commandments

17 How has God revealed His moral law?

1. In the creation God wrote his law in the human conscience (**Romans 2:15**).
2. At Mt. Sinai He gave His law in the Ten Commandments, written on two tables of stone (**Exodus 20:1-17**).
 - The first table of the law contains the first three commandments and tells of our relationship with God
 - the second table of the last contains the last seven commandments and test of our relationship to others.

18 What does God demand of you in the law?

In the law, God demands that I be as pure and as holy as He is in everything I think, in everything I say and in everything I do.

19 Can you be saved through keeping the law?

No, I cannot be saved through keeping the law because since the Fall no human being has been able to keep God's Law perfectly.

Romans 3:23 ... All have sinned and fall short of the glory of God ...

Galatians 2:16b So we, too, have put our faith in Christ Jesus that we may be justified by faith in Christ and not by observing the law, because by observing the law no one will be justified.
