Talking about God's Ten Commandments *

20 If the law cannot save me is it of any benefit?

Yes, God's law is of great benefit to me

1 Timothy 1:8 - *We know that the law is good if one uses it properly.*

21 What does the law do?

1. The law sets up the standard of moral values by which every human society is to be regulated and evil restrained.

Romans 3:20 - *Therefore no one will be declared righteous in his sight by observing the law; rather, through the law we become conscious of sin.*

2. The law showed me my sin and God's hatred of it, troubles my conscience, and shows me my need to seek Christ.

Galatians 3:24 - *The Law was in charge of us until Christ came, in order that we might then be put right with God through faith (TEV)*

3. The law guides me on how I should live, after God by His Spirit has revealed Himself to me.

Psalm 119:105 - *Your word is a lamp to my feet and a light to my path.*

22 What should be your attitude toward the law?

Since the law shows me God's will, I should love it and follow it, even though I know Jesus has fully kept the law to give me salvation, and there is nothing more that I need to do to be saved.
