

# GBC Fellowship Gathering Transition Plan

We are grateful to be able to fellowship in person again. This ability for the time being comes with some restrictions and new norms for an unknown period of time. Please be patient with us as we continually work with our county and state to progress to a “New Normal” as we continue to worship our Great God and Savior. We recommend that as we come together for times of worship that you honor the guidelines that have been set forth by our authorities for testimony sake.
