

## Prayer & Praise Reminders

May 31, 2020

“Give us this day our daily bread”

Mathew 6:11

-----

“Give thanks in all circumstances; for this is the will of God in Christ Jesus for you.”

1 Thessalonians 5:18

-----

There are many in our world today in great need of food and water, the very basic necessities that we need. Pray that God in his mercy would provide for their needs.

Pray that the food and water provided would be able to go to those in need and that God would stop the corruption that prevents the food to be given to those in need. This is a huge problem in many countries, especially in Haiti.

Instead of focusing on all the problems in our world today, let us pray that we would remember God's blessings to us and be thankful.

As you pray, think about all that you are to be thankful for.

The pastors and leaders in our churches need God's wisdom to be able to re-open our churches safely. We really need God's wisdom. Please pray.

Praise God for the way the Gospel is going out in our world. Recently, 8 million people in Turkey viewed the Jesus movie.

Pray for more harvest workers so that we can finish the great commission. Several billion people still do not know much about Jesus Christ.

Pray for our President and for those in leadership in our country, that they would seek God's wisdom in their decisions.

Let us thank God for all who have served in our military in the past and for those currently serving. Our soldiers need our prayers.

Pray that God would receive the honor and the glory that He so richly deserves. He is a great God.
