## PASTOR'S BLOG

Psalm 91:2 (KJV) <sup>2</sup> I will say of the LORD, He is my refuge and my fortress: my God; in him will I trust.

How do we adapt when our world changes drastically in a few months? Normal is no longer normal. Almost overnight it seems we were consumed with the fear of contracting the Corona Virus. Freedoms we once knew were gone as we try to stay safe. Trying to hang on to the piece of normal that remained left people fearful and confused. In times such as these we must lodge our faith solely in God, who promised to never leave or forsake us. He is still the Great I Am, Provider, and Healer. The Giver of Life still holds this world in His Hands. His ways are so much higher than ours. He never fails.

If our faith and trust is in God alone, we can bring glory to Him during seasons of rapid change and uncertainty. The world is watching the way we respond to difficulty. It's in times of crisis that what is truly inside us will be made manifest. May we use these changing times as a platform for the inner peace that only God can give to be displayed. When the world looks at us, will they see hope and peace? Will they see us overcome with fear and despair?

As we tread waters in the days ahead that could become even more turbulent, may we keep our eyes fixed on Jesus. Let us not focus on the storm in sight. He still masters the wind and makes the waves obey.

Matthew 8:27 (KJV)

<sup>27</sup> But the men marveled, saying, What manner of man is this, that even the winds and the sea obey him!

Wednesday nights service will continue at 6:45pm on Pleasant Hill Face Book. Bro Calvin always has a good message. Keep tuning in, it will make your tomorrow better.

The day (June 6, 1944) in World War II on which Allied forces invaded northern France by means of beach landings in Normandy. The day on which an important operation is to begin or a change to take effect. The D-Day invasion is **significant** in history for the role it played in World War II. It marked the turn of the tide for the control maintained by Nazi Germany; less than a year after the invasion, the Allies formally accepted Nazi Germany's surrender.

Sunday Morning Worship is 10:45am. (Bro Calvin will let us know when times and activities can change.) Sunday, June 7th will be the time for our Graduates Recognition. Also, tables will be set up for each Graduate in the Fellowship Hall. In this way, you will be able to leave a gift, a card and/or chat with them, pray with them for success in their life.

In the United States, Flag Day is celebrated on **June 14**. It commemorates the adoption of the flag of the United States on **June 14, 1777** by resolution of the Second Continental Congress. On **Flag Day**, honor the meaning of the holiday by visiting a memorial or history museum to learn more about American history. Flag Day - the anniversary of the Flag Resolution of 1777 - was officially established by the Proclamation of **President Woodrow Wilson** on May 30th, 1916.

### Summer official debut is Saturday, June 20th

In 2020, the June solstice is **Saturday, June 20, at 4:44 P.M. CDT**. This date marks the official beginning of summer in the Northern Hemisphere, occurring when Earth arrives at the point in its orbit where the North Pole is at its maximum tilt (about 23.5 degrees) toward the Sun, resulting in the longest day and shortest night of the calendar year. (By longest "day," we mean the longest period of sunlight.) At the June solstice, the Northern Hemisphere receives sunlight at the most direct angle of the year.

Walk alongside me, Daddy and hold my little hand. I have so many things to learn that I don't yet understand.

Teach me things to keep me safe from dangers every day. Show me how to do my best at home, at school, at play.

Every child needs a gentle hand to guide them as they grow. So walk alongside me, Daddy. We have a long way to go.
