

EVERYTHING You Need to Know for

Drive-In Church

We are SO GLAD to be coming back together to worship!

GUIDELINES

1. **STAY IN.** Please remain in your vehicle at ALL times. If you need assistance of any kind, look for someone in a blue Trinity shirt and get their attention.

2. **STAY PUT.** Parking attendants will be aiding in the parking of cars prior to service as well as dismissing cars at the end of service. Please do not leave your parked spot once you are in place (barring any extreme emergencies)

3. **TURN OFF.** Please turn your car engine off for safety purposes. This prevents any accidental vehicle movement as well as exhaust fumes from hindering the neighboring cars.

4. **WINDOWS.** You may choose to have your car windows up or down. Sound for the service will be broadcasted over the radio as well as speakers in the parking lot.

5. **MASKS.** Wearing a mask is optional, but strongly recommended as you may want one if you have your windows down.

6. **BATHROOMS.** Facilities will NOT be available (barring any extreme emergencies) so please plan accordingly!

- ◆ **SERVICES.** Worship services will be about 45 mins. with a small team helping to lead music, prayer, and a message by Pastor David.
