

PHASE TWO

In the Badger Bounce Back plan, the shift from Phase One to Phase Two is based on a re-evaluation of the situation using the original criteria.

Atonement's Procedures:

- Worship will be offered via outdoor services or 2 different indoor service times, as attendance dictates. A streaming service will still be offered. Fore committee to work with Pastor on time slots for the 2 worship services and the Sundays in which it is held outdoors.

When worshipping in church...

Will start with two services-

Each team/committee will self-regulate with guidelines set forth.

- It is highly encouraged to wear cloth face masks while at church, as is recommended in public spaces.
- Communion not yet offered
- No singing in the sanctuary while the congregation is gathered. Music is pre-recorded.
- No passing of the peace
- No bulletins

- Distancing: Have people spread out in sanctuary space with one family unit per pew; keep empty pews between families. IF worshipping outdoors keep family units intact with distance between the next family unit.
