## PASTOR'S BLOG

If the Son therefore shall make you free, ye shall be free indeed. John 8:36

Independence Day is a day to celebrate our freedom. What are we free from? What is it that makes our country different than others? Why do people from other nations want to come here while many US citizens have no appreciation for 'The Land of the Free'. We have freedom of choice. We may go where we choose without interference from our government. The freedom to worship whom and how we please is ours.

We, like the children of Israel, want to serve our God and not someone else's. As in their day, we often become ungrateful for God's provision. Blessed beyond measure we often forget how He has provided for this nation. God gave us this country and much blood has been shed to keep us free. Let us not throw it away because of a few who do not understand that our freedom comes with a great price.

God has also provided liberty for the soul and a high price was paid. Jesus shed his precious blood conquering death, hell and the grave. All who accept him are made free. This world is temporary. Heaven and hell are eternal. The debt for our eternal freedom has been paid in full. Let us not throw it away. Let us stand fast in that liberty and not return to bondage.
