

Day 1 CREATION DAY

NAME

JUNIOR

BACK TO THE BEGINNING

★ Fill in the blanks in the following paragraph with the words below.

Plants

Earth

Good

Seven

Six 6

Kind

People

The _____ tells us that in the beginning, God created the heavens and the _____ in _____ days. He made all the plants and animals according to their _____. He made the first _____, Adam and Eve, in his image. He gave all the animals and people _____ to eat. And God said everything was very _____. There are _____ days in our week because God created in six days and rested on the seventh! (Genesis 1–2)

IN SIX SHORT DAYS, EVERYTHING WAS MADE!

INCREDIVERSES

Today's Verse

For in six days the Lord made heaven and earth, the sea, and all that is in them, and rested on the seventh day. Exodus 20:11 (ESV)

Tomorrow's Verse

Your word is truth.
John 17:17 (ESV)

★ Practice each verse a few times and then try the following challenge. Bat a balloon back and forth with a partner, saying a word each time you hit the balloon. Start over if the balloon falls on the floor. Try to make it the whole way through without it touching the floor.

GO! AND DO! →

- 1 Studying God's incredible world should make us praise him! Make a praise journal with a page for each letter of the alphabet. Think of things God created from A to Z. For example, for S you may put stars, seahorses, and strawberries. How many can you come up with?
- 2 Read Genesis 1 and count how many times God said, "It was good," or "It was very good."
- 3 Can you remember what God created on each day? Draw it.
- 4 Check KidsAnswers.org/go/animals for info on some of God's amazing creatures!

Ask yourself this question:
Based on God's Word, did God create everything in six days or over millions of years?

WORLDVIEW DAY

WEAR YOUR BIBLE GLASSES

JUNIOR

God has given us a special book, the Bible. The Bible tells us the truth. It gives us the true history of the universe. We need to read and study the Bible so that we can put on our BIBLE glasses and know what is right and what is wrong.

★ Draw a picture in each box below to show what the Bible teaches.

God is the Master Designer—
not evolutionary processes!

God created all things in six days about
6,000 years ago—not billions of years ago!

God created people in his image, not from monkeys!

God created all kinds of animals. One kind of
animal doesn't change into another kind!

The Bible says it. That settles it!

INCREDIVERSES

Today's Verse

Your word is truth.
John 17:17 (ESV)

Tomorrow's Verse

If you confess with your mouth
that Jesus is Lord and believe in your
heart that God raised him from
the dead, you will be saved.
Romans 10:9 (ESV)

★ Practice each verse a few times and then try the following challenge. Make an awe-inspiring Power Tower by stacking blocks, sugar cubes, or mini marshmallows into a tower, adding another block, cube, or marshmallow with each word.

GO! AND DO! →

- 1 Make a pair of old glasses into BIBLE glasses. Or make BIBLE glasses out of poster board or small cardboard tubes. They can remind you to always see things through the Bible's lens.
- 2 Go on a scavenger hunt through your house to find a book that says the earth or fossils are millions or billions of years old. Tell someone a reason this isn't true.
- 3 Choose an animal kind, such as the dog kind or the cat kind. How many of that kind can you draw on a poster?
- 4 For fun information on the elephant kind—including woolly mammoths—visit KidsAnswers.org/go/elephant.

Ask yourself this question:
Do I trust the Bible more than
all other books?

Day 3 GOSPEL DAY

NAME

JUNIOR

THE RIDE OF YOUR LIFE

God loves us and wants us to spend forever in heaven with him!

★ Trace the path of the thrill ride through history that shows how he made a way for us to live with him forever!

A Perfect World
Genesis 1–2

Sin Enters the World
Genesis 3:1–13

Jesus Dies for the World
Matthew 27; John 3:16

A Broken World
Genesis 3:14–19

Jesus Comes to the World
Luke 2

Jesus Comes Back to Life
Matthew 28

How Will Your Ride End?
Romans 10:9

INCREDIVERSES

Today's Verse

If you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.

Romans 10:9 (ESV)

Tomorrow's Verse

I will give thanks to the Lord with my whole heart. . . . Great are the works of the Lord, studied by all who delight in them.

Psalms 111:1–2 (ESV)

★ Practice each verse a few times and then try the following challenge. With a friend or by yourself, toss popcorn up in the air and try to catch it, one piece for each word.

GO! AND **DO!** →

1 Pretend you are riding a roller coaster with its highs, lows, twists, turns, and loops. Tell someone about the highs and lows of history that go along with this track.

2 Because we live in a sin-cursed, broken world, difficult and sad things sometimes happen. Make a card or gift to give someone who is sick or sad.

3 Eat a piece of fruit (ask permission first), and tell someone about the Fall of man in Genesis 3.

4 Visit KidsAnswers.org/go/greatnews to find out more about the bad news/good news of Genesis 3.

Ask yourself this question:
Have I received the gift of eternal life and become a child of God?

Day 4 DESIGN DAY

NAME

JUNIOR

A CLOSER LOOK AT GOD'S HANDIWORK

God is the Master Designer of the whole universe. It's easy to see his handiwork everywhere, and we can praise him for who he is and what he has made. Birds are amazing creations by the Creator! God made all kinds of birds on day five. He designed them just right.

★ Color the pictures of some of the incredible birds God made!

God designed macaws with large, curved **beaks** that can crush seeds, fruits, and nuts. Their tongue has a bone in it to help them break open and eat hard food.

God gave the pelican webbed **feet** that work as paddles in the water and help them walk on land.

God gave birds **feathers** that are light but strong. He gave them hollow bones. And birds today don't have teeth. All of these things make birds light so they can fly easily!

**IT COULDN'T JUST HAPPEN.
GOD MADE THEM THAT WAY!**

INCREDIVERSES

Today's Verse

I will give thanks to the Lord with my whole heart. . . . Great are the works of the Lord, studied by all who delight in them.
Psalm 111:1–2 (ESV)

Tomorrow's Verse

Behold, Behemoth, which I made as I made you He makes his tail stiff like a cedar His bones are tubes of bronze, his limbs like bars of iron.
Job 40:15–19 (ESV)

★ Practice each verse a few times and then try the following challenge. Say the verse while spinning like the Tea Cups, tilting like the Tilt-a-Whirl, racing like the Racers, hopping like the Frog Hopper, going around like the Merry-Go-Round, etc.

1 Find pictures of birds in books or online and figure out which kind of beak they have and what they eat.

2 Make a poster of your favorite animal. Write, "It couldn't just happen. God made them that way!"

3 Go outside and list or draw things God created that you can praise him for. Tell God his works are great!

4 Find out more about the waved albatross and other animals on the Galapagos Islands by visiting KidsAnswers.org/go/Galapagos.

Ask yourself this question:
Will I praise God with my whole heart for his great works?

Day 5 DINO DAY

NAME _____

JUNIOR

LET'S CLEAR UP THE CONFUSION

The Bible gives us the truth about dinosaurs. God made dinosaurs on day six about 6,000 years ago. And they were "very good." (Genesis 1)

Draw a picture of Adam with a dinosaur.

All animals and people ate only plants in the beginning. (Genesis 1)

Draw a picture of fruits and veggies a *T. rex* may have munched on in the beginning.

Draw a picture of dinosaurs entering Noah's ark.

After the flood went away and Noah's family and the animals came off the ark, they began to move to different parts of the world. Job was a man who wrote about a dinosaur (called "behemoth") he saw (Job 40). Some people drew pictures of the dinosaurs they saw.

After Adam sinned, the animals changed and began to eat each other. Soon, God judged the sin of mankind with a worldwide flood. God saved Noah's family and the animals on the ark. (Genesis 3-9)

Trace the picture of the animal that Native Americans drew on a rock. It looks like a dinosaur!

Eventually, like many other animals, dinosaurs died out (became extinct). Maybe they didn't have access to as much food. Maybe people hunted them too much. But there's no mystery when we use our BIBLE glasses to study dinosaurs!

**BEHEMOTH AND LEVIATHAN,
THEY LIVED AT THE TIME OF MAN!**

INCREDIVERSE

Behold, Behemoth, which I made as I made you
He makes his tail stiff like a cedar His bones are
tubes of bronze, his limbs like bars of iron.

Job 40:15–19 (ESV)

★ Practice each verse a few times and then try the following challenge. Many theme parks have rides that go backwards. Learn the memory verse both frontwards and backwards and recite it to someone!

GO! and **DO!** →

- 1 Dinosaurs can be used as “missionary lizards” to tell others about God and his truth. Share something about dinosaurs and God’s Word with someone today.
- 2 Read the descriptions of behemoth and leviathan in Job 40–41. What do you think they looked like, according to the descriptions?
- 3 Make a poster showing behemoth. He is thought to be a sauropod dinosaur. Write today’s memory verse on it.
- 4 Find out more about dinosaurs by visiting www.KidsAnswers.org/go/dino.

Ask yourself this question:
Will I tell others what I’ve learned
from God’s Word about dinosaurs
and all of his incredible creation?
