

## Prayer and Praise Reminders

July 5, 2020

Jesus said: "And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." -Mathew 24:14

We live in a world plagued with turmoil. COVID-19 has affected our world. Many are suffering from isolation, hunger and fear. Our own nation is struggling with all kinds of tension. The answer to the problems of our world is Jesus. Only as the hearts of people change will their peace and joy and love.

The most important thing that we can pray for is that everyone in our world has an opportunity to hear about Jesus. Pray for the Lord to raise up and to send out harvest workers... people that will tell others about Jesus.

Pray for those that have no food. God is rising up believers to feed the hungry and many are coming to Christ as a result.

Pray that God would have mercy on our world and take this virus away and provide a cure for it.

Pray for church leaders seeking to minister to millions in our world under difficult circumstances.

Many are praying that the Holy Spirit would help us to plant a church for every 1000 people in our world.

Pray for the finances to help make this happen, house churches in every community.

Pray for those without jobs in our country and our world, and for the small businesses that are struggling to survive. God will meet our needs as we pray (Philippians 4:19).

Pray that God would bring healing to those who are sick and for the medical staff ministering to them.

Our teachers and school districts need our prayers as they plan and prepare to make good decisions pertaining to the education of all the students.

Please pray for the Holy Spirit to help our Christian teachers to be a testimony of the love of Christ during this difficult time.

Pray that God's people would trust Him and rely upon Him. Pray that we would have the love and the joy and the peace of God in our daily lives as a witness to our world that the gospel is true and real.

Pray for our President, that God would grant him wisdom to lead our country.

Pray that God would receive all of the honor and the glory that He deserves.

Finally, pray that we would witness world-wide repentance and a desire to know and to follow Jesus. He is the only answer. Jesus -Nothing more; Nothing less.

"Many are the afflictions of the righteous, but the LORD delivers him out of them all."-Psalm 34:19
