Church News

*Hoodview Church of God exists to LOVE God and GROW as disciples  
who GO in God's love to bless our community and world.*

### *From the Pastor*

The experience of the past three months of not being able to physically meet together has brought to mind in a very vivid way the reality that the church is not a building, but it is people. Some may say that when we stopped meeting in-person on March 22 that the church was "closed." While the physical doors of the church building were indeed closed due to the restrictions put in place by our governor to help minimize the spread of COVID-19, the church was not closed in any way. Rather, the church was "open" and functioning as the Body of Christ in action.

The church was being the church as all who call Hoodview Church their "home" were contacted multiple times by other members, checking in with one another, sharing prayer concerns and updates, and some even prayed together.

The church was being the church when physical visits were made to a number of church members who were not able to get out and needed items were delivered.

The church was being the church when the Sunday worship service was recorded and broadcast to our church family as well as friends and neighbors across the world wide web. The service was also distributed on DVD and now is on broadcast television. Our impact of sharing the good news of Jesus was (and is) multiplied through these multiple channels.

Now as we regather again on a weekly basis in a building we often refer to as the "church," let's remember that the real church (Jesus followers) is still the church. Let's not fall back into the old habits of relying on being a Sunday-centric church and forget that we are the church wherever we go. Let's continue to check on and help one another. Let's continue to reach out to our neighbors, getting to know them, sharing life together, and showing them Jesus through our love and words. That is being the church!

Blessings,

*Pastor Steve*

### **Regathering in Process**

We are excited to meet in person once again for our weekly worship service, though we still must continue to practice proper social distancing. Thank you for your help in minimizing risk to others and yourself by wearing a mask (we have extras if you forget yours), plus we are providing a "touchless" environment (doors propped open, just verbal greetings, offering box, etc.). If you are not feeling well, we ask that you please stay home. If you are in a "more vulnerable" group, please use caution when deciding to join us in person. **Remember, space is grace!**

### Faith Promise Update

Faith Promise support for missions continues to come in each week. Thank you to those who support Faith Promise and missions giving. Over \$9,500 has been received this year for Faith Promise. To learn more about Faith Promise, brochures and response cards are available at the Resource Table.

### Write a Devotional

We are seeking the help of different church members this month to write a one-page devotional as part of a church devotional booklet that our church will put together. The devotional booklet will help prepare hearts as we introduce the new Faith Promise theme this fall. Faith Promise is our annual emphasis to help support missions and missionaries. A sample devotional with format requirements (suggested length, etc.) is now available. Contact the church office for more information.

### Children of Promise Virtual "Fun Run"

You can help Children of Promise, the child sponsorship ministry of the Church of God, by participating in a virtual fun run or walk this month. You can register online ([childrenofpromise.global/run](http://childrenofpromise.global/run)), choose your own distance, location, and whether you want to walk, run, or ride, and complete your race anytime between July 24 and August 9.

The registration fee is just \$10 per person. Children of Promise t-shirts are available for purchase to wear while you race. This is a fun way to join Children of Promise in pursuing wholeness for ourselves and the children around the world.

If you would like to walk together with others, meet at the church on **Friday, July 31 at 10:00AM** to be part of the fun for a worthy cause!

### Campmeeting Cancellation

Due to uncertainty regarding the Coronavirus and restrictions still in place by our state, including even some camping restrictions, the decision was made to cancel this year's Willamette Valley Campmeeting. This annual week of worship, inspiration and fellowship held on the grounds of the Oregon Christian Convention in Turner, Oregon, will return next year August 1-5, 2021. The planning in place for this year will roll over to next year and we hope you will put this event on your calendars now and plan on being with us then.
