

*"Therefore encourage one another and build up one another,  
Just as you also are doing." 1 Thessalonians 5:11*

Our Outreach team has come up with a great way to make an impact in our community for a group of people who can so easily be overlooked-especially in this season of isolation and social distancing. God has placed it on our hearts to "adopt" the Grandview Nursing and Rehabilitation Home here in our own back yard and we want to bless them on a monthly basis! Our goal is to reach the staff, the residents, and by extension, the residents' families too! See the information below on how YOU can help us spread Jesus' love and encourage others!

*This month, help us by collecting the following:*
