

## C.A.R.E. Ministry

We believe prayer is a vital and powerful part of our Christian faith. We also believe prayer is a means of experiencing God's grace and drawing near to one another. In the light of these beliefs, you are invited to make known your prayer needs. Your concerns will be lifted up in prayer this week by our C.A.R.E. team. The C.A.R.E. team will also send out cards to those who are ill, those in need of encouragement, and those who have lost a loved one. In addition, they also make phone calls.
