

Building on the Rock

Pastor Jim Chang

Luke 6:27-49

I. Two Types of Builders (vv 47, 49)

II. How to Build (vv 46-49)

III. Building Well

a. Love Well (vv 27-36)

b. Judge Well (vv 37-42)

c. Live Well (vv 43-45)

Next Step:

1. Assess which “builder” you are
2. If you have been building well then seek God to help you to continue to build well
3. If you have not been building the right way, ask God to help you to build well
4. Find ways to build well in the coming week (love well, judge well, and live well)

Discussion Questions:

1. What are some ways you can build well for the coming week? (hint: love, judge, live)
2. What are some things that have stopped you from building well?
3. What are some benefits of building well? (for you and for others)
