Dear Faithful Friends at First Baptist Cambridge Springs,

What a blessing to continue to receive such faithful and generous monthly support from you! Thank you so much!

I don't know if you heard the news at the end of last month or not, but when I saw this I was completely flabbergasted...

*An acoustic **guitar** played by Nirvana frontman Kurt Cobain has been **sold at auction** for a record \$6 **million** (€5.4 **million**) in Beverly Hills, California. The **guitar** was famous for having been played on Nirvana's 1993 "MTV Unplugged" performance.*

When I read that, I could not help but think of you and all the other supporters out there supporting us as we minister to women here in Bangkok at NightLight. You know what is worth more. You know what God values. It is not Kurt Cobain's guitar!! It is the precious life of each woman who comes off the streets, out of go-go bars, and out of other sexually exploitive situations - she is worth more! She is worth so much more than that guitar!

Thank you that you get that. Thank you that you back that up with support for us to be here and help restore value and dignity to the lives of many women at NightLight. Thank you that you know she is worth so much more . . .

Blessings,

Jeff Dieselberg

Someone broke into my garage and stole my limbo stick. How low can they go?

You've really gotta hand it to short people.....because they usually can't reach it!

Scientists got bored after watching the Earth turn after 24 hours. So they called it a day.

I ran into a lamppost yesterday. Luckily, I only sustained light injuries.

My boss told me to have a good day. So I went home.

Yesterday, I was washing the car with my son. He said: "Dad can't you just use a sponge?"

Karl Marx is a historically famous person but no one ever mentions his sister, Onya, the inventor of the starting pistol....

Do you know why you never see an elephant hiding in trees? Cuz they are really good at it!!

Did you hear the rumor about butter? Well, I'm not going to spread it!
