

Faith Family,

The Deacons have continued to successfully manage the church's finances through these troubling times. We have continually been blessed with the resources needed to operate in a way that we pray is pleasing to God. Thank you so much for your faithful giving! We have been moving forward with several improvement projects over the last few months, including updating the nursery, nursing mothers' room, and the west wing to make them more welcoming and functional for children and families. We are also working on phase 2 of our security plan, and are planning to replace the carpet in the sanctuary. One area of giving that could use some extra attention is the Building Fund. That fund is short of our next scheduled payment for September, so money will need to be borrowed from the General Fund to cover that cost. Please consider giving towards the Building Fund if you feel so led. The current mortgage balance is just over \$114,000, so we are getting closer to having the loan paid off. Please feel free to contact us with any questions or concerns that you may have. We will look forward to holding an actual congregational meeting later this year!
