## Baptism

Colossians 2:12, Acts 8:26-39, 1 Peter 3:21

### What is baptism?

Baptism is a sign to show others that you are a follower of Jesus. It shows that your old life of sin has died and is buried with Jesus as you go under the water, and that you have risen to a new life in Jesus as you come up out of the water.

### Who should be baptized?

A person who believes that Jesus is the Son of God and has become a follower of Jesus. That means, the person must first repent of sin and decide to live the new life that Jesus gives. Read Acts 2:38, 1 John 1:9, Romans 6:4, John 8:12.

### How is a person baptized?

The person being baptized goes down into the water. The person doing the baptizing dips the person being baptized under the water for a short moment.

### Is there anything special about the water?

You can be baptized in a river, a pool or any other place where the water is deep enough to cover you. The water is not special water. Baptism is just a living picture of what has happened in your spirit.
