The “summer of grit”

These summer months have been called the “summer of grit” as the University of the Nations closed we gave monetary offerings and time offerings to cover the cost of maintaining the campus and keeping the grounds. Good news came as the court case to revert the land by the Hawai’i Land Use Commission was dismissed! The Spirit of God and legal testimonies from the Department of Education, Social Services, and the local community moved the judge in our favor to continue to steward, expand, and serve. His will prevails! Here is a copy of our annual report: <https://www.yumpu.com/en/document/read/63303208/2019-uofn-ywam-kona-annual-report>

Unity in Diversity

The public murder of George Floyd shook America as riots and protests broke out. Wayne was able to put together a forum for artists that aired live on Facebook, August 6th. Renown artist from multiple backgrounds displayed their artwork during an online Art Gallery and spoke about the issue of racism and God's solution for unity. You can listen to the recorded show on The School of Illustration Facebook page.

The Kingdom Age

Our focus for September thru December will be to overtake the enemy through prayer, repentance, and love! God is for our good and will turn things around so that we will RECOVER ALL. We are praying that everyone will guard their hearts and minds in Christ Jesus and not get distracted or give into fear. God wants to show His Kingdom is here, that He is slow to anger, rich in mercy and abounding in love.

Daniel remembered Jeremiah's prophecy, prayed repentance for the sins of his people and the first wave of exiles returned to Jerusalem. Likewise we can repent on behalf of America, see healing on the land, salvation, and usher in the Kingdom Age. God bless you all and thank you for your continued support.
