PASTOR'S BLOG

Often, we become frustrated when things do not go our way. The pandemic has changed life drastically and caused frustration levels to rise. Many who were kind and patient are overwhelmed and losing their sensitivity to the needs of others. Closed businesses, long shopping line and empty shelves are a few of the sources of frustration we are experiencing. This frustration can lead to anger if not dealt with.

In Luke 15 the prodigal son returned home and the father was celebrating with a feast. The older brother heard music and dancing which caused him to inquire. What could this joyous occasion be? Upon the realization that the party was for the wayward brother's homecoming, the older brother became angry. The father had never thrown a party such as this for him. He stayed near the father and did the things a good son would do. *So much anger filled his heart he would not go in. The father came out and begged the son to come in.*

We can allow anger to keep us from going into the presence of our Heavenly Father. He will come out from the celebrations in life and beg us to come in. He wants us to come into unbroken fellowship with Him. To restore that fellowship with the Father we must let go of any anger and resentment in our heart. If we hear music and dancing in the Father's house today will we go in? Will we stay outside looking in with a heart of anger over what the mind says should have been? The enemy uses every opportunity he gets to destroy our intimacy with the Father. He does not want us in the presence of our Heavenly Father who is our hope in this uncertain world. Do not let the enemy gain a foothold. Even the smallest resentments can create walls that can only be demolished by the love of the father who pleads with us to come in. He wants us to come in and allow Him into our deepest wounds of life. He wants to tear down any walls that hide His face. **Luke 15:28: And he was angry, and would not go in: therefore came his father out, and intreated him.**

Several people from the Youth & Children's departments came together to deliver backpacks and school supplies to some of our church kids. Everyone was eager to come back to church.

Pray for Brownsville Baptist Church
Pastor Woody Evans (Sherry)
For the month of September as we pray
for churches in our Association

The Dixie Jackson Arkansas Missions Offering and Week of Prayer each September is intended to highlight and encourage Gospel work that Arkansas Baptist are faithfully supporting in our state and beyond. Arkansas Baptist churches are the partners, prayer warriors, and volunteers behind new church works, community mission, collegiate ministries and Disaster Relief.

Labor Day, the 1st Monday in September, is a creation of the 'labor' movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

Patriot Day is not a federal holiday; schools and businesses remain open in observance of the occasion, although memorial ceremonies for the 2,977 victims are often held. (excluding the 19 hijackers who also perished)

Grandparents Day goes back to 1956 when a mother, Marian McQuade helped organize a community celebration for those over 80 in nursing homes who had been forgotten by their families. She then shifted efforts to the national level achieving success in 1978. Ideas for Grandparents Day: a) a simple meal and time to visit; b) Share family stories and look at old family pictures; c) Board games, card games, puzzles; d) Outings like museums, etc.

September 17, 1787, the Founding Fathers signed the U.S. Constitution. For the past 225 years, the Constitution has served as the supreme law of the land. The Constitution, the Bill of Rights and other amendments, define our government and guarantee our rights. We also recognize people who are taking steps to become U.S. citizens and help them prepare.

National POW/MIA Recognition Day is an observance that honors who were prisoners of war as well as those who are still missing in action. The remains of almost 82,000 Americans are still missing

In 2020, the autumnal equinox—also called the September equinox or fall equinox—arrives on Tuesday, September 22. Fall begins in the Northern Hemisphere and spring begins in the Southern Hemisphere. During the equinox, the Sun crosses what we call the "celestial equator"—an imaginary extension into space of Earth's equator line. The equinox occurs precisely when the Sun's center passes through this line. When the Sun crosses the equator from north to south, this marks the **autumnal equinox**; when it crosses from south to north, this marks the **vernal equinox**.

Stitches Mending Hearts is crafting masks for Health Care Workers. Stitches Mending Hearts are doing good for those in need through their crafting talents. Prior to COVID-19 pandemic, the team had been using their crafting abilities for good by creating and donating items to different organizations in the community including chemo hats for cancer patients, blankets and pillows for patients at Arkansas Children's Hospital, and socks and scarves for the homeless.. They have sewn, crocheted and knitted projects to the Heart Hospital, Baptist Health, Carti, the Foster System, Veterans Homes, the Pregnancy Center in Cabot and the Homeless. There's not much we can't make if needed. Anyone who loves to do these things are welcome to join us. We will be meeting at Pleasant Hill Baptist Church on Saturday, September 12th from 10:30a to Noon. We meet twice a month, the 2nd and 4th Saturdays of the month. This initiative has shone a light on how creativity encourages positive attitudes and can unite the public even amidst a health crisis

We will have our Monthly Business Meeting on Sunday, September 27th at 4:00pm. You are encouraged to attend.
