There are many ways that the Lord has given us to share the Gospel. Here are some helpful suggestions to help you boldly share the love of Christ.

- Seek “divine APPOINTMENTS.” Ask the Lord to bring someone across your path today that you can share His love with.
- Prepare your testimony (about 2-3 minutes). Write it down. This helps you to internalize and organize it in a short concise way that will lead to further conversations.
- Utilize MATERIALS. Postcards, brochures, gospel tracts and invitations are available for you to use.
- Utilize the Pray, Care, SHARE strategy
- Build relationships with those who are UNCHURCHED. Invite them to dinner or another outing. Make them a part of your holiday celebrations.
- “Check In” on Facebook and other social media at church. This will post to your “wall” and let others know that you are at church. Mention things going on at the church in your posts. This not only helps spread the word about our church but opens doors for conversations later on with unchurched people.
