

For the past few months, the **Knox Website Committee**, comprised of Marsha Waldie, Alex Luyckx, Haley Johnston, Pastor Steve and Elaine Martin, with the assistance of a Web Designer, have been working on a new Website for Knox. Through a survey that Pastor Steve sent out, we asked the congregation how they use the current website to determine what they'd like to see on our new website. We thank you for your responses. Towards the end of September, Isaac, our Christian Educator, will be hosting a meeting with the Youth to ensure we've added the features and links that are important to them. Our vision is to have a platform where we can "*Share Christ with Others*" and we are ensuring that our language and messaging are clear for our congregation and the general Milton community. This new website software will give us more flexibility for future growth with other social media platforms. Along with donations that have been made specifically for the website, the proceeds of the recent mum sales will be allocated to the development costs of the website. If you feel that you'd like to support this project with a donation, please let Elaine Martin ([el.marti@hotmail.com](mailto:el.marti@hotmail.com)) know.

The latest copies of ***Our Daily Bread*** are now available. Please check the box outside at the Mary Street entrance.
