## PASTOR'S BLOG

Psalm 27:14, Wait on the Lord; be of good courage, and He shall strengthen thine heart: wait, I say, on the Lord.

There are times when we are moved out of our comfort zone to a place with no answers. We must hold fast to the hope that we have as it takes us places we've never been. Change can bring about hope which takes on a life of its own. Often it will require us to reach beyond our own strength.

### WHEN I WAIT,

*You  
strengthen  
my heart*

Many people today feel like all hope is gone. They are watching those of us who have placed our hope in Jesus Christ. How we persevere under pressure offers hope to a discouraged world. If you are going through trying times do not underestimate the influence you have on those who are watching. They draw strength from a life anchored in our Lord and Saviour.

May the words of Jesus spring forth in our hearts to give us hope for whatever lies ahead. "I will never leave you or forsake you." May we continue to spread this hope.

Reverend B. C. Hutson

## PASTOR APPRECIATION

Pastor Appreciation will encompass the whole month of October. Ways of expressing your appreciation to your Pastor and wife: Send a special card or a hand written note to express appreciation for their work. send an email or text for a quick way to say "Thank You". A Face-to-Face word of encouragement. One of things that really encourages a pastor and wife is to know they are making a spiritual impact on your life. They may not know unless you tell them.

Instead of Fall Carnival for Kids/Youth, we will fill "Ditty Bags" with Candies, small toys or trinkets and Pat's crew will drop off the Ditty Bags to their homes on Wednesday, October 28th. Pat would appreciate your help with the supplies or giving a donation (to Marybeth) for items to be purchased. The money and/or supplies need to be at the church by Sunday, October 25th. As always, your participation is very much appreciated.

I found this on FB: Common Sense Obituary

Today, we mourn the passing of a beloved old friend, Common Sense, who has been with us for many years. No one knows for sure how old he was, since his birth records were long ago lost in bureaucratic red tape. He will be remembered as having cultivated such valuable lessons as:

- Knowing when to come in out of the rain
- Why the early bird gets the worm
- Life isn't always fair
- And maybe it was my fault.

Common Sense lived by simple, sound financial policies (don't spend more than you can earn) and reliable strategies (adults, not children, are in charge).

His health began to deteriorate rapidly when well-intentioned but overbearing regulations were set in place!

Common Sense was preceded in death by his parents, Truth and Trust, by his wife, Discretion, by his daughter, Responsibility, and by his son, Reason.

He is survived by his 4 stepbrothers;

I Know My Rights

I Want It Now

Someone Else Is To Blame

I'm A Victim

Not many attended his funeral because so few realized he was gone.

Thanks to all the photographers in the church for sending pictures: Kim Phillips, Bro Calvin & Janet, Jean Witcher, Linda Yount. I welcome pictures pertaining to our church and church family.
