## Jethro Helps Moses

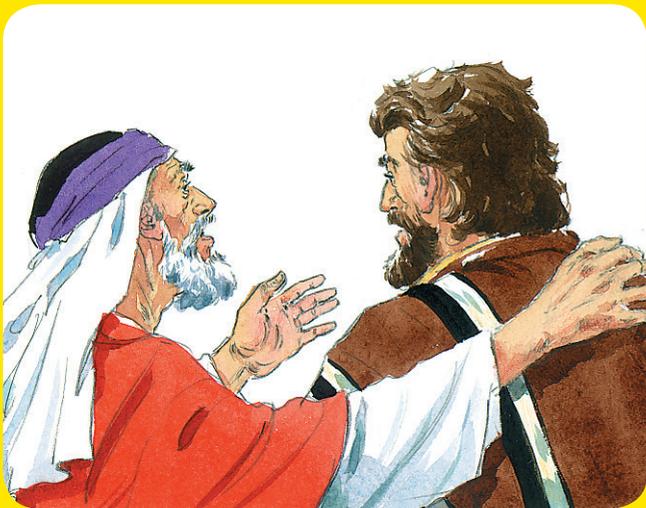

Bible Story based on Exodus 18

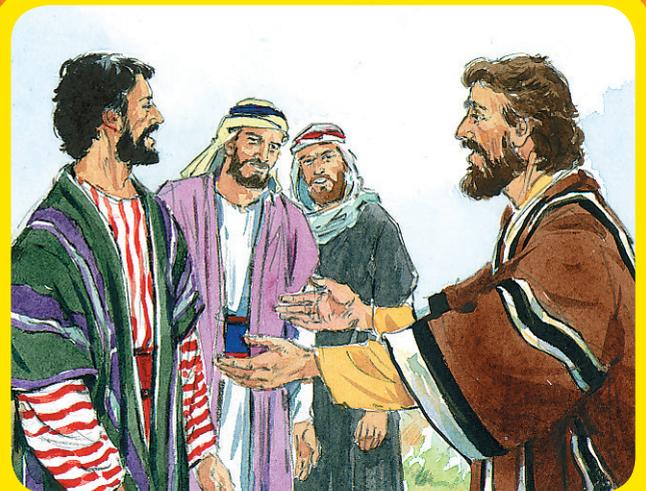

**1.** Moses' family came to visit him in the desert. Moses told his wife's father, Jethro, how God was helping him lead the people.

**2.** Jethro saw Moses spent a lot of time listening to and helping the people who were angry with each other.

**3.** Jethro told Moses, "You have too much to do. You need helpers to take care of the problems the people have."

**4.** Moses liked what Jethro said. So Moses chose some helpers. He was glad God sent Jethro to show him how to do things better.

# A Good Choice

it off!

I think we made a good choice. Thanks, Mom. Thanks, Dad.

Sometimes we choose shows that are not good for us.

There are shows about sports, science, and wild animals.

Let's watch the show about animals, Michael.

## Talk Time

Talk together about how Moses learned from his family in the Bible story. What did Moses need help doing? What did Kaden and Michael need help choosing? Who taught them what they needed to know? Share with your child about a time you learned something valuable from a family member. Even adults learn from family members throughout life.

**WHAT I LEARNED ABOUT GOD:**  
*God wants me to learn from my family.*

# Find Moses and a Helper

I'm Moses.  
Can you find me helping some  
angry people?

I'm Jethro.  
I helped Moses find more helpers.  
Find me!

**Memory
