

## Prayer & Praise Reminders November 1, 2020

James 5:16 tells us: “Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working.”

What our country needs is righteous people who will confess their sins and pray for our world and for our nation.

Revival always begins with repentance of our sins. Pray for a spirit of repentance to sweep across our land at all levels of society. We need to acknowledge that we are sinners that need a savior, the Lord Jesus Christ.

God's people need God's wisdom as we select the political leaders in our states and our nation. James tells us that if we lack wisdom, we should ask God for it, and He will supply it.

Pray that we would vote for the people and the party platforms that best represent God's values. We vote knowing that we serve a sovereign Lord.

There are still many people in our world struggling with COVID-19. Many people are working on a vaccine. Please pray that God would have mercy upon us and help our world and that He will continue to use this virus to show the world that we need Him.

In the midst of all of the fears and turmoil in our world, God wants us to rise above it by living in peace and joy in the Holy Spirit. He will help us as we seek Him and are filled with His Spirit every day. Ask the Lord to fill you with His Spirit every day.

Jesus asked us to pray to the Lord of the harvest to send out workers into His harvest field. There are many people in our world involved in finishing the great commission, but we need the prayers and the effort of God's people. Pray for God to raise up more and more harvest workers.

“I cried out to Him with my mouth; His praise was on my tongue. If I had cherished sin in my heart, the Lord would not have listened; but God has surely listened and has heard my prayer.

Praise be to God, who has not rejected my prayer or withheld His love from me!”

– Psalm 66:17-20
