

Empowering Missionaries in Latin America

Monthly Prayer Requests November 2020

Here are the prayer requests for this month.
[Apparently there was an issue with the video so here is the newsletter again.](#)

1. Pray for the Leaders' Gathering

One of my jobs is to lead an annual series of meetings for field leaders. It is an important time of the year as we connect, inspire, and look ahead. The theme of our time together will be "Holy Ambition." This is definitely a counter-cultural theme as the prevailing attitude during COVID has been to slow down and retreat.

During this meeting we are looking for TEAM and SAM to position themselves for growth. The challenge is that, as with most things recently, this will be a

virtual meeting. Please pray that, in spite of being on line instead of physically gathered, these meetings would inspire our field leaders to grow in their leadership.

2. Pray for LATAM 2030

During our Leaders' Gathering we will be starting to roll out a roadmap for the next ten years in Latin America. This will include a series of goals that describe who we want to become in that time. We are excited about this even while recognizing that it will demand a quite a bit of work as we build a road to becoming these things. Along with this I am developing a dashboard that will measure how well we are keeping on track.

Please pray that God would give my co-workers and me wisdom as we work on this project. We fully realize that we are part of God's mission we do not want to try to run ahead of Him.

3. Pray for the missionaries who are in the pipeline to Latin America.

There are a lot of missionaries on their way to the field--some just starting out, some in the midst of fundraising, and others simply waiting for borders to open so they can launch. This is a difficult time to be building a support team, so please pray for those who are seeking support but who are finding it difficult to meet in person with potential supporters. Additionally, please pray for those who plan to leave for the field in early 2021. Borders are opening, but all travel plans must be held loosely. Pray that those who are ready to travel would have the patience to trust in God's timing and the peace to rest in the wait.
