

**Prayer and Praise Reminders
November 15, 2020**

“May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit.”

-Romans 15:13

As COVID continues to spread fast, let us remember to lift up our country and our world in prayer and ask for God’s mercy to heal our land. Pray for protection for those in the medical field and those in higher risk situations.

The Philippines have been hit with another severe typhoon and their country is in great need. Let us pray that God would help these dear people facing severe flooding.

Let us continue to pray for the unrest in our country and that God would be merciful and just.

Let’s continue to pray that God's Kingdom will spread across our land and our world. May we remember to confess our sins before God and repent and seek His ways more than our ways.

May the Lord refresh and renew our hope and our joy in knowing the gospel. May we remember that we have received undeserved grace and the privilege of being His people.

Pray earnestly for the Holy Spirit to revive His church and cause millions to believe and follow Jesus.

As we are approaching the Holiday season, let us remember God’s grace granted upon us as believers and rejoice. Jesus came to earth to bring hope for all of those who believe in Him and follow Him.

Please pray for God to fill us with patience, grace, meekness and love for one another. Pray that we would display radical love for our neighbors, within our homes and neighborhoods, within our church and outside of our church. May we display His love and grace in our daily actions and in our conversations.

“Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things.”

– 1 Corinthians 13:4-7
