

{Growing in Gratitude}

**Be Thankful**

**November 22, 2020**

Dear Church Family,

It's hard to believe that November is almost over! Although 2020 has been one of the most challenging years ever, it is almost over. We are now entering the holiday season, and even though this year has been hard, I think you will agree that we all have much to be thankful for. After a year like this one you may think I am crazy for saying this, but God has been good to us! I challenge you to sit down and make a list of all the things that you are thankful for and celebrate them with your family and friends.

I am thankful for you, and our church family, I am thankful that through the last several months we have been able to worship together, even though sometimes it

was only through the live stream. (We are so blessed to live in a time when technology keeps us connected). I am thankful that one day this pandemic will come to an end and everyone will all be able to worship together on Sunday mornings. I am thankful for all of those who have remained faithful to God through this time! Most of all, I am thankful for Jesus and His love! The Apostle Paul asks in the book of Romans; *"Who can separate us from the love of Christ? Can affliction or distress or persecution or famine or nakedness or danger or sword?"* Then he goes on to say that there is nothing that can separate us from the love of Christ! May your thanksgiving flow from that fact, that you are loved by Christ! I pray that your Thanksgiving holiday will be the best you have ever experienced!

Blessings,

Pastor Mark Harpold
