

Prayer & Praise Reminders
November 22, 2020

Paul told us that God is able to provide more abundantly than what we could ever ask for or imagine. Therefore, let us pray for more salvations, more baptisms, more of our people walking closer to the Lord, for more love and unity.

One out of three people in our world have not yet heard about Jesus. Jesus told us to pray for harvest workers to spread the gospel. Let us practice and do what Jesus told us to and pray.

Our world is struggling with COVID. Pray for God's mercy to heal and for the Holy Spirit to use this to bring millions out of darkness into His kingdom.

Let us pray for a resolution in our presidential election.

Pray for God to use you as you pray for those around you who are struggling in any way. Pray for God to give us a heart that reaches out to those in need in our communities, in our neighborhoods and in our homes and that the Holy Spirit will equip us to do God's will.

Let us pray that many would seek Him during the upcoming holiday season and that we would rejoice in the hope we all have in Jesus.

“A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”

– John 13:34-35
