

NOVEMBER 15TH

TIN CAN LINEUP

For Parents – We are Moving Inside!

We appreciate your support during these difficult and confusing times, and your willingness to trust us with your children.

Due to the changing weather, we have revisited our local Covid guidelines: We have determined that we can do handbook time and counsel time indoors while observing masking and distancing guidelines, as long as we maintain cohorts of 14 clubbers or less with 2 leaders per cohort. Until further notice, this will be our plan. If you have any concerns or feedback, please feel free to reach out to your child's director or directly to myself.

Your children's safety and flourishing is our highest priority.
